Dear Sir,

STRATEGIC PLAN FOR AVMCC 2022 HARVEST

Peace of the Lord to you.

On behalf of the members of the Band of Faith Society, we hereby present the Harvest 2022 strategy document for your kind approval. This plan is presented herewith, for discussion towards execution. The Strategy Subcommittee has considered the past year's Harvest plans, the current threats to this event namely the downturn of the economy and possibly the refurbishment of the Cathedral. These factors notwithstanding, we are assured that by the Special grace of God and with the ardent prayers and support of all the Parishioners, the esteemed members of the Standing Committee and the Clergy, we shall record immeasurable success at this Harvest. May the God of Harvest grant us all special blessings, great testimonies and unmerited favour as we all work together in His Vineyard. Amen.

Thank you.
